UNION DUES AND REPRESENTATION FEES

I. General Terms

- A. During the term of this Agreement, the Employer will deduct current Union dues or representation fees from the salary of each Employee who voluntarily elects and authorizes such deduction by using a payroll deduction authorization form/membership card. New individual authorizations submitted to the Employer's payroll office on or before the last calendar day for each month will be effective for deductions in the following month.
- B. The Employer (appointing unit) shall within fifteen (15) calendar days following the offer of an appointment or the start of the employment period, whichever is later, inform each new Employee of his/her options under this article and will provide a payroll deduction authorization form/membership card. Such payroll deduction authorization form/membership card shall be mutually agreed upon by the parties and provided to the Employer by the Union. The Union shall provide the Employer with a Dues and Representation Fee Discrepancy Report listing under-deductions within twenty (20) working days following the receipt of the sums and the lists of names described above. The Employer shall review the Dues and Representation Fee Discrepancy Report and make all appropriate adjustments to payroll deductions as early as feasible, but no later than the second subsequent payday. In cases where a deduction is made that duplicates

- F. Dues and fees shall be calculated and withdrawn from employees who have authorized a deduction on any applicable salary received for the month.
- G. When an Employee who has a payroll deduction authorization form/membership card on file with the Employer Payroll Office ceases to be in the bargaining unit the dues and fees deduction under this Agreement shall cease. - I. The primary purpose of this procedure is to secure, at the lowest level possible, a solution to employee grievances.
- II.  - B. It is understood and agreed that no dispute is subject to the grievance procedure and arbitration if the matter is not specifically covered by this Agreement.
- IV. The Union may process grievances on behalf of probationary employees with respect to wages, hours and other conditions of employment, but not for discipline or discharge.
- V. Individual Grievance

Any Employee having a dispute over the interpretation or application of the terms of this Agreement shall present the grievance to the Employer in the manner described below. An individual grievance shall be signed by the aggrieved. Individual grievances shall be signed by the affected employee and by a Union representative.

A. Informal Step

1. An employee or one designated member of a group of employees, may take the complaint up with the immediate supervisor or employing unit designee within fifteen (15) days of the alleged incident(s) or violation(s) of this Agreement. If the complaint is not resolved within six (6) days, a grievance may be filed at step one. At the employee's option, a Union representative may be present during any discussion with the supervisor or employing unit designee in an effort to resolve the complaint. The Associate Provost for Faculty and Academic Staff Affairs or designee in consultation with the Office of Employee Relations (if not the designee) may be present during any discussion with the supervisor or employing unit designee in an effort to resolve the complaint.
2. The informal process shall not be included in, nor shall it toll, the time limits within which the step one formal grievance must be presented as set forth below in Paragraph VIII, Written Grievance Steps.
3. Any informal resolution of a grievance shall be deemed to be non-precedent setting unless specifically agreed otherwise by the parties in writing, signed by representatives of the Union, the Associate Provost for Faculty and Academic Staff Affairs or designee in consultation with the Office of Employee Relations (if not the designee) .

B. Step 1

1. Except as otherwise provided in paragraph B.2., if a grievance raised by an employee or group of employees is not resolved informally, the employee or employees must reduce the grievance to writing and present it to the immediate supervisor or designated employing unit representative within twenty-one (21) days after its alleged occurrence or twenty-one (21) days after the employee should reasonably have been aware of the events giving rise to the grievance, whichever is later. Provided, however, grievances filed over issues within the scope of the University's Relationship Violence and Sexual Misconduct Policy, Anti-Discrimination Policy, or successor to those policies must be presented no later than sixty (60) days following the issuance of the final report or other final disposition by the University's Office of Institutional Equity or other office with authority to investigate complaints arising out of these policies.

The grievance shall set forth the facts, including the alleged date(s) of the violation(s), the provisions of this Agreement that are alleged to have been violated, and the remedy desired. The grievance shall not be considered submitted until the immediate supervisor or designated employing unit representative receives the written grievance.

2. The immediate supervisor or designated employing unit representative will schedule a meeting with the grievant and the Union Representative within fifteen (15) days from the day the written grievance was received. The grievance hearing will be held within a reasonable time thereafter. The immediate supervisor or designated representative will then answer the grievance in writing within fifteen (15) days from the meeting at which the grievance was discussed.

C. Step 2

1. For grievances filed at Step 1, if the answer from the immediate supervisor or designee is not satisfactory, the grievant(s) shall submit an appeal within fifteen (15) days of the receipt of the Step 1 answer to the Associate Provost for Faculty and Academic Staff Affairs or designee, indicating the reasons why the written answer of the administrative head or designee was unsatisfactory.
2. A group or individual grievance initially filed at Step 2 must be filed within twenty-one (21) days after the alleged occurrence of the event(s) giving rise to the grievance or twenty-one (21) days after the grievant should reasonably have been aware of the events giving rise to the grievance, whichever is later.
3. Upon receipt of a Step 2 grievance, the Associate Provost for Faculty and Academic Staff Affairs or designee will schedule a meeting between no more than three (3) representatives of the Union, in addition to the grievant, and three (3) representatives of the Employer within fifteen (15) days from the date the appeal is received to discuss the grievance. Additional attendees may be present by mutual consent of the parties. The grievance hearing will be held within a reasonable time thereafter. The Associate Provost for Faculty and Academic Staff Affairs or designee will then answer the grievance in writing within fifteen (15) days from the date of the meeting at which the grievance was discussed.

VIII. Arbitration

A. Step 3

1. If the Associate Provost for Faculty and Academic Staff Affairs or designee's Step 2 answer is unacceptable to the Union, settlement may be determined by a decision of an arbitrator selected by the parties. The Union will notify the Associate Provost for Faculty and Academic Staff Affairs or designee within twenty-one (21) days after the receipt of the Step 2 answer if the Union wishes to appeal the grievance to arbitration

by filing a demand for arbitration with the Associate Provost for Faculty and Academic Staff Affairs or designee.

2. Following the written notice, the Employer and the Union shall attempt to select an arbitrator. If an arbitrator is not selected within five (5) days of the written notice, the Union within the next ten (10) days, may request the American Arbitration Association (AAA) to administer the process of selecting an arbitrator. The arbitrator shall not be affiliated with the University/Employer, the Union, the Michigan Federation of Teachers and School Related Personnel, or the American Federation of Teachers.
3. The Arbitrator will be requested to issue their decision within thirty (30) days after the conclusion of testimony, argument and submission of briefs. The decision of the Arbitrator will be final and binding on all parties, and judgment therein may be entered in any court of competent jurisdiction.
4. The process of expedited arbitration, under the rules of the American Arbitration Association, may be utilized by mutual written agreement of the Employer and Union on a case by case basis.
5. The fees and approved expenses of an arbitrator will be borne equally by the Employer and the Union. Upon request of either the Employer or the Union or both, a transcript of the hearing shall be made and furnished to the arbitrator with the Employer and the Union having an opportunity to purchase their own copy. The party requesting the transcript shall bear the costs of any reporter and the cost of the arbitrator's copy unless it is mutually requested. In such case, such costs shall be shared equally.
6. The rules of the AAA shall apply to all arbitration hearings.
7. The use of a court reporter will be permitted at the request of either party. The cost of the court reporter will be paid by the party requesting the court reporter. A copy of the transcript will be provided without cost to the party not requesting the court reporter.

B. Arbitrator's Power

1. The arbitrator's authority shall be limited to determining whether the Employer has violated arbitrable provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement. To the extent that the Employer's action is based upon academic judgement, the arbitrator shall have no authority or jurisdiction to substitute their judgement for that of the Employer and its agents. The arbitrator shall have no power to substitute their discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall they exercise any responsibility or function of the Employer or the Union, nor shall they impose on either party a limitation or obligation not explicitly provided for in this Agreement.

2. The jurisdiction and authority of the arbitrator and their opinion and award shall be confined exclusively to the interpretation and/or application of the express provisions of this Agreement at issue between the Union and the Employer.
3. Where either party challenges the jurisdiction of the arbitrator, a hearing will be held to determine whether the arbitrator does have jurisdiction before the hearing can be held on the merits. The arbitrator shall have no authority in any circumstances to award back pay or any other monetary relief for any period of time which pre-dates 21 days from the date the grievance is filed, nor shall the arbitrator award back pay or other monetary relief which is greater than the grievant would have been entitled to if there had been no violation.
4. The arbitrator shall have no authority to establish wage and salary scales, to change any wage or salary rate, or change classification descriptions except as otherwise provided in this Agreement.
5. The arbitrator shall have no authority to reinstate a grievant, but only to award applicable monetary damages to the end of the appointment period. Computation of back wages or benefits, if appropriate, must include offsets for unemployment compensation, Workers Compensation, and wages and benefits earned with other employers during the computation period.
6. If a grievance is appealed to arbitration and the arbitrator finds no authority to rule on such case, the matter shall be returned to the parties without decision or recommendation on the merits of the case.

C. Excluded from Arbitration

1. Excluded from arbitration are disputes and unresolved grievances concerning merit increase decisions, academic matters, appointments, and those matters provided for in provisions on probationary employees.
2. In the event an employee is concurrently employed in a position that is included in the representation definition of this Agreement and a position that is excluded from representation by the Union the following shall apply:
 - a. Matters pertaining to terms of employment as an employee covered by the Collective Bargaining Agreement may only be processed and adjudicated under the terms of the Agreement, and
 - b. Matters pertaining to terms of employment as an employee not covered by the Collective Bargaining Agreement may only be processed and adjudicated under existing University policies and procedures and shall not be subject to the provisions of this Agreement.

3. In no event shall rights from either employment status be held or applied to the other.

D. Finality of Decisions

The arbitrator's decision shall be final and binding upon the Union and its members, the Employee or employees involved, and the Employer, provided, however that either party retains all legal rights to challenge arbitration decisions thereof where such action is beyond the power of the arbitrator or where the award was procured by fraud, misconduct, or unlawful means.

IX. Other Provisions

- A. Grievances shall be processed as rapidly as practicable. The number of days indicated at each level shall be considered as maximum, and every effort shall be made to expedite the grievance process. Time limits may be shortened or extended by mutual written agreement between the parties.
- B. Where more than one grievance involves similar issues, the additional grievances shall be held in abeyance without prejudice pending disposition of the appeal to Step 3 of the representative grievance.
- C. Failure of the grievant to appeal a decision within the specified time limits shall be considered settled on the basis of the employer's last answer and not be subject to further review. Failure of the Employer to render a decision on a grievance within the specified time limits shall permit its appeal by the grievant to the next step per the timelines established for moving the grievance to the next level.
- D. Steps of the grievance procedure may be waived or modified in writing and by mutual agreement of both parties. The Union and/or grievant may withdraw a grievance at any step of the procedure. Grievances so withdrawn shall not be reinstated.
- E. The Union Representative may represent the Employee at all steps of the grievance procedure. An alternative Union Representative shall be designated by the Union to act in the absence of the Union Representative.
- F. There shall be no reprisal against any employee for filing a grievance processing under this Agreement.

- III. If the dispute still exists, at the request of the Union, the University's physician and the employee's health care provider shall agree upon a third health care provider who will conduct a medical examination and submit a report to the Employer and the Employee. The decision of such third party will be binding. The expenses of this report shall be shared equally between the Employer and Employee. For purposes of this examination, charges to the Employee may be submitted to any and all employee insurances for which the examination may be covered. If a balance remains following the application of the Employers one-half and the Employees insurance, the remaining expenses shall be the responsibility of the Employee.
- IV. As long as the Employee makes a reasonable effort to secure the cooperation of his or her health care provider in the selection of a third health care provider, the Employer will not seek to discipline or discharge the Employee for a delay in this process which is beyond his or her control.
- V. The University, with reasonable belief, may place an employee on an unpaid leave of absence pending the above review. The employee may substitute available paid leave pursuant to the terms of the particular leave policy.

ARTICLE 35

HEALTH AND SAFETY

The University and the Union shall cooperate for the purpose of eliminating accidents and health hazards. The University shall make reasonable provisions for the safety and health of its employees while carrying out their assigned responsibilities. The Employer and the Union, at the request of either party, shall enter into negotiations for the purpose of arriving at a satisfactory replacement for such provision. In the event any provision of this Agreement becomes null and void in this manner, all other provisions of this Agreement shall continue in full force and effect.
- IV. Any agreement or agreements which supplement this Agreement shall not be binding or effective for any purpose whatsoever unless reduced to writing and signed by the Employer and the Union.

RE: Agreement Between Michigan State University and the Union of Nontenure-Track Faculty of Michigan State University re: Assigned Work that is Inextricably Intertwined to Teaching

Teaching is an essential part of the identity of UNTF members, who care greatly about the success of their students. Since teaching-related professional development and curriculum development are inherent to exemplary instructional performance, the parties agree to have a special conference to discuss the interrelated nature of these activities for UNTF full-time UNTF-represented employees. Specifically, the parties will work together to determine what work is inextricably intertwined to teaching performed as part of Employee's teaching assignment and what constitutes non-teaching related responsibilities.

This special conference will begin no later than January 1, 2023. The conference will identify work that is inextricably intertwined with the teaching of full-time UNTF-represented employees whose primary job is teaching during the term of the 2022-2026 Collective Bargaining Agreement. This process will be completed no later than June 30, 2023. Following the above, the Union, Office of Employee Relations, and the Office of Faculty and Academic Staff Affairs will make determinations regarding the outcomes of the special conference and the phasing in of UNTF representation. Such phasing in of coverage shall be completed no later than June 30, 2024.
