OUTSIDE WORK FOR PAY

1. This work will be performed for _____ (name of firm, agency, etc.)
during the period* from _____ through _____ and will involve an estimated
total of _____ days during the period specified.

This work will be performed for an entity or individual for which or whom University research has also been conducted.

2. General description of work: _____

3. Explanation of how the work will enhance the faculty member's expertise as a teacher and scholar in his/her discipline:
(not required for work performed during non-duty periods)

4. Indicate whether the work will involve any of the following:

- Use of University facilities, supplies, materials or equipment.
- Use of University intellectual property.
(such as University owned patents, copyrights, trademarks, or proprietary information)
- Use of University employees.
- Participation by or payment to University students.
- Research involving animals, human subjects, or radioactive, hazardous or other regulated materials.
If any of these boxes are checked, additional information must be provided prior to approval.

5. Indicate, to the best of your knowledge, whether the work will do any of the following:

- Delay or otherwise impede the future publication of research by the faculty member, another University employee, or a University student.
- Involve the creation of intellectual property.
- Compete with functions, products, or services offered by the University.

If any of these boxes are checked, additional information must be provided prior to approval.

OVERLOAD

1. This work will be done for _____, _____, _____
 Department Name Code College Name Code
 during the period* from _____ through _____ and will involve an estimated
 total of _____ days during the period specified.

Yes No The work to be performed is covered under the Union of Non-Tenure Track Faculty (UNTF) contract.
